Hey, Kelly! Tell me some things that you love.

Doggy!
How do you like to be fucked?
Rough sex is always best.
Do you like anal sex?

Where do you like a guy to come?
In my mouth. I *loooove* swallowing. *Yummm*!
Are you bisexual?
I haven't had sex with a girl yet. I want to pop my lesbian cherry with [porn star] Molly Cavalli. I hope she's reading this!
Have you ever had sex in public?
Yes, all the time with my BF in the bar bathroom!
Have you ever had a threesome?
Not yet...I'm sure it's just a matter of time!
What's the absolute best sex you've ever had?
With my boyfriend in his tiny car, riding him like a cowgirl!

Tall, dark, handsome. Seven-inch cock, thick!
What's the best way for a guy to pick you up?
Tell me he knows how to eat pussy good!
What's your favorite fantasy?
Simple—sex on the beach.

PANTY CONTEST WINNER

Announcing the results of our June 2010 Panty Giveaway Contest! Lots of readers say they want to win panties so they can wear them, but this month's winner gave us the hottest description ever. H.J.E. of Arizona, get ready to try on Tweety's undies!

To the BARELY LEGAL Staff,
Why I want Tweety's panties. Well, for one, they feel really good when I put on women's panties. They're real comfortable. To begin with, my balls don't ache, and my asshole don't sweat. My dick just lays in them just fine, like a happy snake right at home. The whole package stays in one place and breathes fresh air.

What will I do with Tweety's panties? Well, wear them, of course. I mean, how much closer can I get to Tweety than that? Then I can say, "Yes, I got into Tweety's panties," and I won't be lying.

Have a nice day.

H.J.E.
Arizona

Dear Lindsey,
I wanted to personally thank you for the chance to win Tessa Taylor's panties [March 2010] and for choosing me as the winner. I can't believe I'm holding the same pair that Tessa was wearing the day of the shoot. Why is Tessa covering her beautiful breasts on the cover?

T.M.
Pennsylvania

I know, T.M.! I can't believe I get to hold the panties before I mail them to the winners. To answer your question, Tessa had to hide her boobs on the cover 'cause we want BARELY LEGAL to be available everywhere—BUT, you can't have naked titties hanging out on newsstands, where kids might accidentally see them. So we cover the titties to protect the children! ***—Lindsey***

Hi Lindsey,
Thanks for the great work on BARELY LEGAL that you and your team are doing. Much appreciated.

I'm writing especially to thank you for the gorgeous close-up insert of Lindsay Kay's pussy lips in April 2010. I'd been hoping for such a shot—indeed many such shots—for a long time now. And I want to thank you also for the trend I've been noticing (correctly?) in the last few months in BL and also in *Hustler* to allow your readers relatively unobstructed views of the shape and variation and color of individual models' pussy lips. I'd be happy if you included more such inserts—do we dare to hope for one for each model?—showing off in detail their glorious and sexy pussy lips without an intrusive hand or finger pulling the lips apart, obscuring their shape and variety.

Leon
by Internet

Doesn't Lindsay Kay's pussy look yummy? We definitely will be including more close-ups, Leon—maybe not with every model, but with a select few girls. In fact, you might want to check out Kelly Bonds on page 58 right this minute! ***—Lindsey***

Dear Lindsey,
Wanted to let you know that your selection of models for the May issue is outstanding. I do not recall any other issue with six good-looking models like Melanie, Aspen, Riana, Gabrielle, Talia and Victoria. Aspen is taking the numero-uno spot with the best-looking anus. And I think Victoria is a very close numero duo.

Being partial to natural blondes, I think Riana is the overall best-looking model in this issue, and I wish you had included more frontal shots where she is just standing up totally naked. Such poses of all models would also be desirable. And finally, I would like to ask you if I am the only reader who is getting tired of looking at so many shots where the model is spreading her pussy lips? Is not one shot enough? And let the rest just show the pussy in a natural stage.

L.E.
by Internet

Well, L.E., reader Leon (page 14) definitely agrees with you about the spreading of pussy lips—and I personally love when the inside pussy lips stay open without any fingers. It looks pretty! But the thing is, pussy lips come in all different sizes and shapes—not all of them stay open on their own. Without a little help from fingers sometimes, we would end up with a bunch of soft pictures (like our competition that shall remain nameless).

Also, there are lots of readers who want to see deep inside the girls' coochies—maybe even see some peeholes. The only way to do that is for the girls to spread their pussies really wide, with their hands.

Basically, L.E., we have lots of readers who want lots of different things. All we can do is try to provide a little bit of everything!

—Lindsey

Dear BARELY LEGAL,
I think your mag is absolutely the best adult mag on the market (much better than *Hustler*). Every new issue seems to get better! Excellent pictures that are classy and tasteful, yet also very explicit! I think all of the young women are beautiful in their own unique way.

I sure hope you stick with your no-boys-allowed philosophy. That's another reason why the mag is so excellent. I've always wondered why the *BARELY LEGAL* videos don't follow that same philosophy?

I think they would be so much better if they were basically live versions of the photo-shoot. They could start out with the cutie fully clothed, doing a little tease, slowly stripping, then doing some hot poses (especially spreading the vagina wide open) and ending up with them masturbating (with fingers, no toys). I'm sure I'm not the only subscriber that would much prefer no-boys-allowed videos. I don't care to see a guy showing what a big-time stud he is, while treating the young lady like a piece of meat and not very respectfully. If the videos followed this format, I might actually buy some of them.

I also have suggestions for the magazine, which I hope you'll consider:

Since the big debate with BL readers is the shaved or bush question, why not feature some pictorials where the girl shaves her pussy? The bush lovers can get some nice shots with the girl showing off her bush, then the hairless fans can enjoy some shots showing off the sweet bald pussy, while also getting some nice shots of her shaving.

In the last couple issues, there's been some talk of seeing the young girl's peehole, but I'd love to see some shots of them actually peeing! Just the thought of a woman peeing is very sexy.

I sure hope you'll heed some of these suggestions. Keep up the excellent work!

Pete
New York

Pete, I've got good news and bad news. Let's get the bad news out of the way: We're not allowed to show girls peeing. :(According to who? I'm not sure. I just work here!

Now for the good news, in two parts. First, there is a BARELY LEGAL video series that features naked cuties without guys. It's called BARELY LEGAL All by Myself, and volume 7 just came out. You can order it (and other vids) by calling 1-800-763-8271, ext. 7651, or by visiting hustlerhollywood.com. The girls do use toys in it, but you might still like watching them—they're pretty sexxxy!

Second, I love your suggestion of showing a girl shaving her bush. So, be sure to check out our October 2010 issue: An amateur model named Eve will be wielding her trusty razor in BARELY LEGAL Slumber Party—and it's all thanks to you! ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys might notice that I personally conducted all of the interviews in this issue. Where are the interns, you're wondering? They quit! They couldn't take it anymore! BARELY LEGAL girls are just *too hot* for them.

Me? I'm a professional and can totally handle the hotness. Like for instance with our Teen Queen of the Month, Kelly Bonds? Her coochie is so cute, it will *blind* you. Most people can't look directly at it. But *I* can. OUCH. It only hurts a little.

Marta. Of *course* the interns couldn't handle Marta. She does butt sex! That's way advanced for teen girls. But not for me! Marta doesn't give *me* an uncontrollable craving for an eight-inch peen in my b-hole. Also, that little cum fiend Holly totally does *not* make me long for a hot load all over my boobs and belly.

Oh, and Ashlyn Rae, with her ten million movies that she stars in? Big deal, Ashlyn! I can watch *BARELY LEGAL #97* and remain perfectly calm. In fact, I can watch *all* of your movies, all 40, all in a row, and my fingers will not go in my panties. I am totally in control. I AM TOTALLY IN CONTROL. *AHHH*!

Omigod, you guys. I hope I find some interns for the next issue. If I don't find some time to...relieve myself, I'm going to *explode*. Can *you* help? ;)

CHRISSY

beautiful dreamer

Hey! Lindsey here with Chrissy, a professional model and college sophomore majoring in...majoring in...I'm sorry. I don't know which is more hypnotizing—Chrissy's eyes or her boobs!

Hey, Chrissy! What are your hobbies?
Modeling, hanging out with friends, reading and road trips.
Modeling is a hobby? I thought it was your job.
Well, it is, but I hate calling it that. It's much more fulfilling than a job. I don't just do it for money.
Do you do other kinds of modeling—like, with clothes on?
Yes, I do everything, but I'm actually the most comfortable in a bathing suit or naked. I don't know what that says about me. LOL!
I think it's awesome that you're comfortable being naked.
I wish more people would be. So many people have sexual hang-ups.
You don't have any?
No, I love sex. It's good for you. Fucking gives me energy!
Have you done any professional fucking?
You mean porn? No. Nothing against girls in that industry, I just prefer to keep my orgasms private.
Do you have a lot of orgasms?
Yes, I'm *very* orgasmic.
What's the best way for you to come?
If a guy licks my pussy. It happens really fast if he gets me all worked up first.
What's the best way to do that?
Play with my titties. My nipples are super sensitive.
Do guys ever want to titty-fuck you?
Always! I love it. It's exciting having a cock that close to my mouth but not in it—like a tease.
Do you think you'll keep modeling?
Yes, I want to model for as long as possible. But I also want to earn a degree in something and also travel the world. I love flying.
Sounds like you have a lot of dreams.
Well, Eleanor Roosevelt said, "The future belongs to those who believe in the beauty of their dreams." That's me! ★

GEORGETTE

I am not a nerd

photography by jana krenová

"High school kids are so dumb," snorts brainy, 18-year-old Georgette. "As if it's *uncool* to actually study and make straight As. The morons at school call me a dork because I'm smart and want to make a future for myself. I'm so sure. That's why I date college guys. Carl is my new boyfriend. He goes to Shades Valley University, and he rules.

"I'm learning tons of stuff from Carl. I didn't know what a 69 was before he came along! He even persuaded me to try anal. Carl is so intelligent. 'Sodomy explodes society's narrow-minded taboos,' he explained. 'Butt love emancipates the previously forbidden asshole, opening its depths to a universe of pleasure and enlightenment.' Carl is so right!

"I'll admit, it hurt when Carl first slammed his blue-veiner up my virgin poop chute. It was like I needed to take a really wicked dump. But once we slid into a groove, with Carl's cock pistoning in and out of my pucker all smooth and funky, that shit felt *good*. When Carl blasted a load of hot spuzz into my sphincters, I had a raging butt orgasm. I'd like to see a retarded high school boy try to do *that*. If any of those lame wads were even man enough to ream my pooter, they'd no doubt blow their loads in the first 30 seconds. And the dolts call *me* a nerd? Wise up, boys. Higher education is where it's at." ★

HOLLY

miss behavior

photography by holly randall

Hey, it's Lindsey. Holly is so glamorous, she should be wearing a sash and a tiara. She definitely wins Miss Congeniality, anyway!

Howdy, Holly! You sure got glammed up for little old BARELY LEGAL.

Shoot, Lindsey—this is nothing. Haven't you ever met an honest-to-God Southern girl before?

I guess not!

I don't step out the door until my hair, makeup and nails are perfect.

Isn't that kind of a lot of pressure?

Not at all! I take pride in my appearance. That's why I fell so naturally into modeling. I'm like a doll—you can dress me up in whatever, and I make it look good.

But you don't stay dressed for long.

Well, I love the naked part, too. I have a nice body. It's meant to be shared!

What if the guys you're sharing your body with behave in an ungentlemanly fashion?

I hope they do! I hope the BL readers write in and tell me what they want to do to me—in the filthiest language they can conjure up.

Holly, I'm shocked! You look like such a lady.

I *am* a lady—except in the bedroom.

What's your favorite thing to do there?

I am a dedicated dick sucker. Once your cock is in my mouth, I won't stop sucking till I get results.

What if a guy accidentally comes in your perfect hair?

How do you think I get it looking so perfect? I'm joking with you! But truly, a guy can come wherever he likes on me—my tits, my tummy, my face.

Somehow I just can't picture you covered in semen.

You can't? Lindsey, I sure hope your readers have more imagination than you! ★

GOT IT BAD FOR BOYFRIEND'S DAD

A BARELY LEGAL CONFESSION

BY DENISE REYES

PHOTOGRAPHY BY RED VELVET

I have a confession to make. But first I want you to know that I am not a bad person. I make all A's and Bs. I'm the uneven-bars champ in school gymnastics. I go to church. I babysit. Someday, I want to become a pediatric nurse and help sick kids.

I have a great boyfriend, Jason. We've been dating since sophomore year, and now he's talking about getting married once we're in college. He's so sweet! But I'm not ready for marriage. I'm only 18. I'm too young for all of that.

Besides, sometimes stuff happens that you don't plan. I thought I wanted to be with Jason forever, but I'm still figuring out who I am. Also—well—this is really bad. I'll just come right out with it: I'm in love with my boyfriend's dad!

I didn't mean to love him. Yes, I always had a secret schoolgirl crush on Mr. Williams, but it wasn't a big deal. But something happened when I turned 18. It's like, I was sexually awakened. My body ached for a grown man with maturity and experience. My silly crush on Mr. Williams grew into an intense sexual attraction.

Of course, it would be wrong in every way to hook up with my boyfriend's dad. But sometimes, bad things feel too good to resist.

Don't get me wrong. Jason is forever special in my heart. I lost my virginity to him, the night of my 18th birthday. We'll always share that. And it was really nice. I'll tell you about it.

Jason treated me to birthday dinner at my fave, the Cheesecake Factory. I totally pigged out—Cajun Chicken Littles, a salad with ranch, and a huge slice of banana-cream cheesecake! I'm gonna get so fat—LOL! After dinner,

we went back to Jason's. I've been hanging out at his house since I was 16, so his folks are totally cool with me staying over late, 'cause they know me. It's like I'm part of the fam! So his mom and dad don't even sweat it and totally go to bed while I'm still there. They trust us, I guess. And they *could* trust us, 'cause we used to only make out. But now things were different.

Jason and I were in the den watching *Saturday Night Live*. The only thing funny was this song that Andy Samberg did. (Plus I have a crush on Andy Samberg—LOL!) Jason was like, "Dude, *SNL* is never funny anymore. The only thing good about it is Kristen Wiig. 'Cause she's hot."

"I like when she plays the lady at Target," I said.

"Yeah," Jason nodded. "This is lame. Let's do something else."

"Like what?" I smiled. I knew that he knew exactly what he meant.

It's like someone waved a wand. Jason turned into a beast. He stood me up and pulled my cute little diagonal-striped dress over my head. We tumbled onto the couch, lip-locked. He unhooked my bra and ripped my panties off. He was still clothed. I was buck-naked. He pressed his body on top of me, his boner poking hard against my inner thigh.

"Slow down," I said. "Play with my boobs for a minute."

"Sorry," he panted.

He kissed my neck and sucked my nipples. My nipples are crazy sensitive. My clit swelled. He squeezed my boobs together and licked my cleavage. He dragged his tongue down, pausing at my navel to kiss my belly. He kissed further down until he reached my pussy. He wrapped his lips around my labes, stuck his tongue in.

"Oh, yeah," I whispered, closing my eyes and letting my legs fall wide open. I rocked my hips. He sucked my clit.

Still licking me, Jason wrestled his fly open and pulled out his dick. He jerked it as he lapped my pussy.

"You want to feel my dick, don't you," he mumbled around my wet cooch. "You want me to stick it in."

"*Um*, okay, yeah."

I was secretly nervous. Would it hurt? Would I bleed? Plus it felt so good to have my pussy licked, I kind of wanted to just let him eat me till I gazzed. But it was time to lose the big V.

"Okay, here I go," Jason panted.

I closed my eyes. My mind told my pussy, Relax. The tip of his dick poked at my hole, circled it. I rocked my hips. I felt the tip pop in. It didn't hurt at all—it felt fantastic. He pushed, pushed, inching his way in. I was so tight. It felt kind of weird at first, like there was all this pressure inside my vag, but the more we moved together, it's like my pussy conformed to him. I loved the feeling of his dick.

"It's good," I said.

Jason gripped my shoulders. I ran my fingers up and down his back. His slow, gentle movements grew hard and fast. He pumped into me, knocking breath from my lungs with each thrust. Before I knew it, he was coming.

"*Ahh fuck, fuck, ahhhh yeahhh*!"

Jason pulled out and shot his wad all over my boobs and stomach. It was a ton of jizz!

"Oh, man," he gasped. "Awesome."

It was a lot of fun, but I wished he'd held out till I had an orgasm.

Orgasm or not, having sex awakened something in me. Like there had been this tiny spark inside, and suddenly it had burst into flames and I was completely on fire. I wanted to have sex, like, pretty much all the time. But the problem was, while I was doing it with Jason, I was fantasizing about his dad.

I know it's wrong, but I couldn't help it! I'd go to Jason's house like always and I'd see his dad and we'd say hi and joke around, but something was different between me and Mr. Williams. It's like he *knew*. The way he looked at me, like he could sense that I was burning, and he wanted to feel it, and he knew that I wanted to feel him. So one night, after weeks of fantasizing and agonizing, we gave in.

Jason had fallen asleep on the couch in the den and Mrs. Williams was asleep upstairs. I'd gone to the kitchen in search of a late-night snack. I was digging through the pantry when Mr. Williams walked in.

"Hey, Mr. Williams," I said, a little startled. "Hope it's okay if I open this box of Wheat Thins."

"Of course." He smiled and pulled some orange juice from the fridge, swigging it straight from the carton. "And please, we're both adults. Call me Dan."

Dan leaned against the kitchen island and took another

slug of OJ. I was frozen, holding the box of Wheat Thins and staring at him. I dropped the box and walked toward him. It's like I was possessed.

"Mr. Will—," I sighed. "Dan."

"I know how you feel," he said, setting the orange juice on the counter and holding my face in his hands. "I feel it, too."

We kissed. He pulled me close. His body was hard. His strong hands roamed over my boobs, squeezed my ass. I was overcome with the desire to suck his dick.

"Show me," I whispered, dropping to my knees.

Mr. Williams—I mean Dan—loosened the drawstring of his pajama pants and pulled the waistband over his dick. He was rock-hard, and big. I wrapped my hand around the base. Pre-cum oozed from the tip. I closed my lips around his head and sucked, poking my tongue into his hole. The pre-cum was salty and slick. I loved the taste of it. Dan moaned and pushed his cock into my mouth. I opened my throat and sucked.

"Fuck, yes," he said, wrapping his fingers in my hair. My head bobbed back and forth. My mouth watered. Slobber and pre-cum dribbled down my chin. I cupped his balls, gently massaged them.

"Good God, you're incredible," Dan panted. "My wife never sucks my dick."

I sucked harder. I dipped down and slid my lips across the underside of his shaft. I licked his balls, pulled them into my mouth. I swallowed his cock again, pushing him as far down my throat as I could.

"Oh, God, here it comes," he groaned. "I'm gonna come in your mouth, *oh yeah yes yeaaahhh*!"

Hot jizz splattered the back of my throat. My mouth still sliding up and down his shaft, I swallowed his cum. It felt hot and slick going down. I loved the salty, bitter taste. I could have slurped a quart of it.

"My God," Dan said, gasping for breath. I wiped my mouth and stood. My legs wobbled.

"Was that okay?" I whispered. "Are we, like, going to hell for that?"

"God, no. That was heaven."

I felt kind of guilty the next morning, but not guilty enough to turn off my feelings about Mr. Williams. I'd never felt lust like that. All I could think about was feeling his cock again. I wanted more of it.

Maybe it was fate. Jason and Mrs. Williams were visiting Jason's grandma in Minnesota. Dan was staying home—he had important stuff going on at work. He'd be alone in the house.

I went by the Williamses' the night before Jason and his mom left so I could say goodbye to Jason. Mr. Williams pulled me aside.

"You're welcome to keep me company while they're gone,"

he said. "I'll be here every night, all by myself."

The idea of being alone with Mr. Williams was too tempting to resist. I went the very next night. He opened the door and pulled me in.

"I'm so glad you're here."

Dan wrapped me in his arms and kissed my lips. We didn't make it far—we toppled onto the living-room carpet. He pulled off my undies, lifted my shirt over my head. Still wearing my plaid skirt, I sat on him. His cock was hard under his khaki pants. I grinded my pussy against him. A wet spot formed on the crotch of his pants—my girl juice. Another spot, his pre-cum. We were both so wet!

mally like that! But I was for real. I seriously wanted it.

Dan grabbed me by the waist and sat me on his cock. He slid right in. I felt like I could burst—he was so big! I loved it.

"My God, you're tight," he said. I rode him. I squeezed my tits, threw my head back.

Mr. Williams could really last. We did it for, like, ever. He flipped me onto my back, hooked my legs over his shoulders. He picked me up, my legs wrapped around his waist, and pressed my back against the wall. I moaned and pulled his hair and came.

"*Oh, oh, oh, oh, YEAAHHHHH*!"

I've never come like that.

"Unzip my fly," he panted. I lowered his zipper and pulled out his dick. I rolled my thumb over the slippery tip.

"Yeah," he said, "jerk my dick."

I pulled his cock, squeezing gently. I bent down and stuck my tongue in his mouth.

"Oh, God," he wheezed. "Let me taste your little snatch."

I climbed onto his face and lowered my pussy onto his mouth. He sucked and licked. He jammed his tongue inside my hole. I was totally having sex with his tongue. My boobs bounced. He grabbed my ass and pressed his thumb against my tooter, tickling it.

"Fuck me," I moaned. "Fuck me, Mr. Williams."

I can't believe that came out of my mouth—I am so not nor-

"Get down," he said. "Get on your hands and knees."

He hit me from behind, clutching my hips. He pressed his chest into my back and cupped my tits.

"I'm gonna come. I'm gonna come all over your ass."

With an "*Ahhhhhhhhh*," Dan pulled out and coated my booty with hot jizz. I reached around and rubbed it into my skin. I sucked it off my fingers. I loved it.

You can probably imagine what Dan and I spent the next few days doing. It sounds terrible, but I wished Jason and Mrs. Williams would just stay in Minnesota and never come back. And I don't know what to do about Jason. You can't just tell your BF you're in love with his dad.

It's a mess, but to tell the truth? It was totally worth it. ★

KELLY BONDS

Hey, it's Lindsey. Not to take away from high school senior Kelly's beautiful eyes, cute, freckled nose and sweet little boobs, but—turn to page 65 *right now*. Our Teen Queen of the Month has the prettiest pussy I've ever seen in my life! It should be in a vase!

"Hey, Lindsey!" laughs Kelly. "I have a personality, too, you know!"

I know! Sorry, Kelly! Everybody, read below to learn everything about Kelly. (*Psst*! Then you can flip to page 65 again!)

Describe yourself, please: The main thing about me is, I love dancing more than anything in the world. I've been studying ballet since I was four years old. After graduation, I'm going to move to New York and join a company.

Believe it or not: I really want to take stripping lessons! I know it's not *real* dancing, but I think it would be so hot to strip for my boyfriend. When I *have* a boyfriend.

Ideal guy: A guy who will like me just the way I am and not, like, secretly wish I had bigger boobs or blond hair or whatever.

Biggest turn-on: Seeing a guy dance really beautifully and gracefully—'cause then I know he'll be that way in bed, too.

Biggest turn-off: Poor personal hygiene.

Fave method of masturbation: I love to touch my pussy. [*Ed. note: Who wouldn't?*]

Secret sex talent: My pussy is super wet, like, all the time. It has a mind of its own!

To bi or not to bi: Not. Girls are pretty, but I want a big, strong man body next to me.

Fave sex position: I don't have a personal favorite, but I can do whatever position the guy wants. I'm totally flexible.

Best way to come: If the guy does me from behind but reaches under to play with my pussy at the same time.

Ultimate goal: To be a famous prima ballerina! ★

Whats been your favorite scene to film?
Probably my scene in *This Aint Saved by the Bell XXX*. It was awesome to play, like, a dirty version of Kelly Kapowski. I totally wanted to be her when I was ten.
Whats your favorite way to have sex in real life?
Missionary position. I know! Im actually pretty traditional.
So, no wild orgies in real life?
Ha-ha, no. I mean, right now Im having fun being single, but I love having a boyfriend a guy I can cook for and watch movies with. And have hot sex with!
Whats your ideal guy?
I like tall, muscular guys with dark hair and good teeth. Football players.
What will you do when you find him?
Make him some jerk chicken, then fuck him hard. I know how to treat my ideal guy! ★

★★★★

Hustler Video. Directed by Dirty Dan; starring Tara Lynn Foxx, Ally Ann, Amy Starz, Kandi Milan, Missy Stone, Audrianna Angel and Dirty Dan.

Ever wonder what it would be like to get wildly fucked by six of the hottest barely legal girls in the biz? If you're reading this, I bet the answer is a big fat *duh*! One guy who doesn't *have* to wonder is Dirty Dan, the director and only dude in *BARELY LEGAL P.O.V. #8*. Talk about an awesome job! All Dirty Dan has to do is hold the camera straight — sometimes he can't even manage *that*, and I can't blame him! — and he gets paid to have sex with babes like Tara Lynn Foxx, Audrianna Angel and Kandi Milan. But we viewers make out pretty good, too. The camera gives us an incredible view of these girls' smokin'-hot bods and beautiful, fresh faces. It's all the benefits of peeping without the hassle of a restraining order! The best thing about *BARELY LEGAL P.O.V. #8* is the super sexy cast — and, thanks to the P.O.V., these girls really connect with the audience as they strut their stuff. Tara Lynn can totally deep-throat, Kandi oils up her boobies, and Audrianna puts stuff up her butt. Banging these babes is a dirty job, but somebody's got to do it — and Dirty Dan is the man for the job.

Hey! Lindsey here. The last time we saw Marta (December 2009), she was a sweet, romantic high school senior looking for love. Now? WOW!

Welcome back, Marta! Look at you, all grown-up and fancy.
I *love* wearing stockings instead of tights. Guys are always surprised when they put their hands under my skirt and are met with no resistance!
Do you wear them every day?
No, no, only for special occasions, like if I go out with a really hot guy. Or pose for BARELY LEGAL!
Hey, so, what did your classmates think of your first layout?
The girls were pretty jealous, but the guys were totally into it and me! I had *two* dates for senior prom.
***Two* dates? Did you have special prom-night sex with both of them?**
No, just one. But I blew both of them!
I have to say, you are *way* bolder now than you used to be.
Duh, I'm older! I'm in college.
How else have you changed?
Well I used to like fucking with the guy on top, but now I prefer doing it from behind.
Doggy-style is not very romantic.
I know, but I'm not looking for romance anymore. I just want sex to feel good and the dirtier it is, the better I feel.
In that case, maybe you should try butt sex. LOL!
I already did! Omigod, it's the best. I come so hard.
You come actually in your butt?
I *think* so. All I know is, I explode all over. It's *amazing*. It's all I want to do, like every day.
Do you think you're just going through a phase? Like, do you still want to fall in love someday?
Maybe. But for now I'm in love with orgasms! ★
